HEALTH & SAFETY POLICY

TFM Global Mobility are fully committed to conducting operations in an incident-free workplace, all the time, everywhere. Proactive individual involvement, personal responsibility, accountability, and continuous improvement are expected of all employees, clients and subcontractors.

The basic elements of Health and Safety Policy statement are:

- To provide adequate control of health and safety risk arising from our work activities.
- To consult with our employees on matters affecting their health and safety.
- To ensure safe handling and use of substances or equipment.
- To provide information, instruction and supervision for employees.
- To educate employees about materials, equipment or processes used in their work that are thought to be potentially hazardous to Health & Safety.
- To ensure that all employees are competent to do their task and to give them adequate training.
- To maintain safe and healthy working conditions.
- To prevent accidents and cases of work-related ill health.
- To provide immediate first aid and prompt treatment for any injury or illness at work.
- To ensure that fire prevention procedures are followed and in operation.
- To review and revise this policy as necessary at regular intervals.
